

STING

Before the mountains were born or you brought forth the whole world, from everlasting to everlasting you are God.

EVERLASTING GOD IS

Jesus Christ is the same yesterday and today and forever -Hebrews 13:8

A thousand years in your sight are like a day that has just gone by, or like a watch in the night. - Psalm 90:4

He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end. -Ecclesiastes 3:11

I am the Alpha and the Omega, the first and the last, the beginning and the end. -Revelations 22:13

- What other verses can you find in the Bible about God being eternal?
- Close your eyes and count to 60 slowly. How long did that feel to you? Do you think this verse is meant to be literal or just an example of how God views time differently? If so, what do you think it means?
- "He has also set eternity in the human heart..." This verse is beautiful. Do you feel as though you have eternity in your heart? How so?
- The verse from Revelations is as if God said, "I am the A and the Z." The Alpha is the first letter in the Greek alphabet and the Omega is the last letter. What is another example of the first and last of something that could be used as a metaphor for God being the beginning and end?
